acs 600 ec - 1x varit- hek®

The mobile front cooking station with innovative extraction technology.

The mobile station with integrated “air cleaning system” push & pull extraction technology, made entirely of high-quality stainless steel, offers unlimited flexibility and mobility when cooking and makes front cooking an experience – without any unwanted odours.

With a digital control and a reliable, multi-layer filter system in the substructure consisting of a grease, activated carbon and pollutant filter, neutralising all odours.

Thanks to the perfectly lateral air flow (ec) from left to right, a flame-retardant high-performance cyclone filter is used to remove the vapours formed during cooking from the grease, water and odour-laden air right where they originate.

The digital control offers a variety of useful functions, such as a display indicating the degree of wear of the filter elements (activated carbon filter), 4-level extraction power as well as a display of faults by means of continuous text. Different coloured LED lights indicate the operating status, an operating hours counter is also integrated and there is a safe alarm function with a buzzer.

TECHNICAL SPECIFICATIONS

acs 600 ec - 1x varithek®

TECHNICAL SPECIFICATIONS

Dimensions	602 x 722 x 1001 mm
Material	stainless steel 1.4301 (CNS)
Weight	100 kg
Connected load	11.000 W
Rated voltage	3N AC 400 V 50/60 Hz
Plug type	CEE-Plug 400V/16A
Cable length	2.000 mm
Protection class	IPX4
Castor	4 swivel castors with brakes
Wheel diameter	80 mm
Ambient temperature	+5°C to +40°C
Order number	91 14 01 90

BENEFITS

- 3-sided panelled station made of stainless steel.
- Recessed stainless steel worktop with a tightly welded installation niche.
- Optimal hygiene thanks to the 3-sided splash guard.
- Right side wall with a high-performance grease separator, with a removable grease collection tray.
- Low-noise radial fan and activated carbon filter, for odour neutralisation and the elimination of bacteria/microorganisms.
- Optimal, safe to move.
- 2 moisture-proof sockets with a hinged cover.
- Left side wall can be folded up.
- Dishwasher-safe cyclone filter.
- Removable 3-sided splash guard.
- acs components can be removed without tools.
